1957 – 58

President : **Rtn. K.S.Menon**
Secretary : **Rtn. P.I.Joseph**

Held on January 19, a Mock Session of the United Nations General Assembly – the first programme of its kind in this part of the world.

Among the very many successful and meaningful programmes carried out by

the Rotary Club of Bangalore in the avenue of international service, this was perhaps the most outstanding.

A large number of enquiries came soon after from other clubs in the District and the rest of the country, probably with the intention of organizing something similar in their own clubs. Newspapers acclaimed this as a sparkling success.

Assistance came from practically everywhere - the State Government, the United States Library, universities and colleges.

The venue was the Puttanna Chetty Town Hall, the largest public hall in Bangalore at that time, equipped with proper facilities for seating, stage, acoustics, etc. But even this was found to be small, and the Club had to restrict the representation to 61 countries, each with two delegates.

Shri Vaikunta Baliga, Minister for Law and Legal Affairs, Mysore State, inaugurated the session. The President of the Rotary Club, Rtn. K.S.Menon,

was unanimously chosen as President of the Session. Among those who acted as delegates of the different countries were Mr. V.P.Menon, former Secretary of State to the Government of India; Janab Mohamed Sheriff, former Minister of Mysore State; Justice K.S.Hegde of the Mysore High Court, Mr. Kodanda Rao, President of the Servants of India Society and Principals and Professors from a number of colleges.

An excellent programme meticulously planned and well-executed by Rtn. President K.S.Menon and the dedicated members of the three sub-committees under the International Services Committee.

Adopted the Siddaguntapalya group of villages. The 100-bed Rotary T.B.Ward at the S.D.S. Sanatorium was inaugurated by Dr. K.K.Hegde, Minister for Health, Myosre State on June 5.

Initiated, for the first time, a career advice scheme for school children and pre-university students.

1959 – 60

President : **Rtn. C.R.V.Subban**
Secretary : **K.Eswari Prasad**

Constructed a building for the primary school and a children's playground with necessary amenities at Siddaguntapalya. A community radio, and bags and slates for school children were presented.

Members of the U.S.Trade Mission to India visited the Club and Mr. F.Feston Forbes, leader of the Mission, addressed the Club.

Major Projects & Events

The Club initiated a pioneering experiment in employer-employee relations by bringing together a large number of employers and labour leaders to discuss many problems of mutual interest.

A batch of 7 student members of the Project India (U.C.L.A) team of the University of California was hosted by a Rotarian family during their stay in the State.

Set up the Seva Ashrama Dispensary at Srirampuram as a Silver Jubilee Year project. The southern end of Srirampuram was the bleakest slum area of Bangalore where Deena Seva Sangha, a valiant team of social workers, was battling against disease, poverty and ignorance. This Dispensary was handed over to the Deena Seva Sangha for day-to-day running. A panel of specialist Rotarian doctors attended the Dispensary regularly. A drug bank was established to provide free medicines to the patients.

The Rotary Anns organized a Handloom Fashion Show parade, the proceeds of which helped in the construction of the Dispensary. A donation of Rs.10,000/- was made by Rtn. V.S.Natarajan.

The Club pioneered the Book Bank as a Silver Jubilee Project. Jointly with Ramnarayan Chellaram and Sons Charitable Trust, it sponsored a Students Aid Society for the purpose. The main objective was to assist in the creation of book banks or textbook-lending libraries in engineering, medicine, science, commerce colleges and in polytechnics for the benefit of students from poor families who were unable to buy costly textbooks.
